WELCOMING SPEECH OF THE RECTOR

Assoc. Prof. Jazim Ahmad

First of all, let us pray and give thanks to Allah ﷻ for gratitude and grace, *taufik*, and guidance. Hence, the entire academic community of Muhammadiyah University of Metro is able to deliver this beloved university to its 53rd year in 2019. *Alhamdulillah* we can hope and pray the crowning achievements having received up to the recent date. Without having the grace of Allah ﷻ, it is not possible for UM Metro to achieve that level.

Second, in order to give an effective, transparent, accountable and results-oriented management, UM Metro continues to establishing internal accreditation which is supported by departments at this university. Remarkable efforts have been made to encourage the acceleration by providing over long-term stimulation improvement program in each department. Apart from previous points, the accessible and informative scientific publications of the lecturers are ideal base to evaluate the university progress. Furthermore, we are greatly encouraged by open-public e journals and several international cooperation to follow as well.

The available information of UM Metro's official website is expected to open a wide network for receiving real existence of UM Metro and challenging big demand by public and social community, especially in Lampung Province. In addition, will agree to cooperate with other universities including both national and international institution.

Eventually, detailed programs of our university are presented in the following pages and please kindly visit our website to receive complete and update information.

Last but not least, we are happy to welcome you to our campus.

OUR LOCATION

INDONESIA

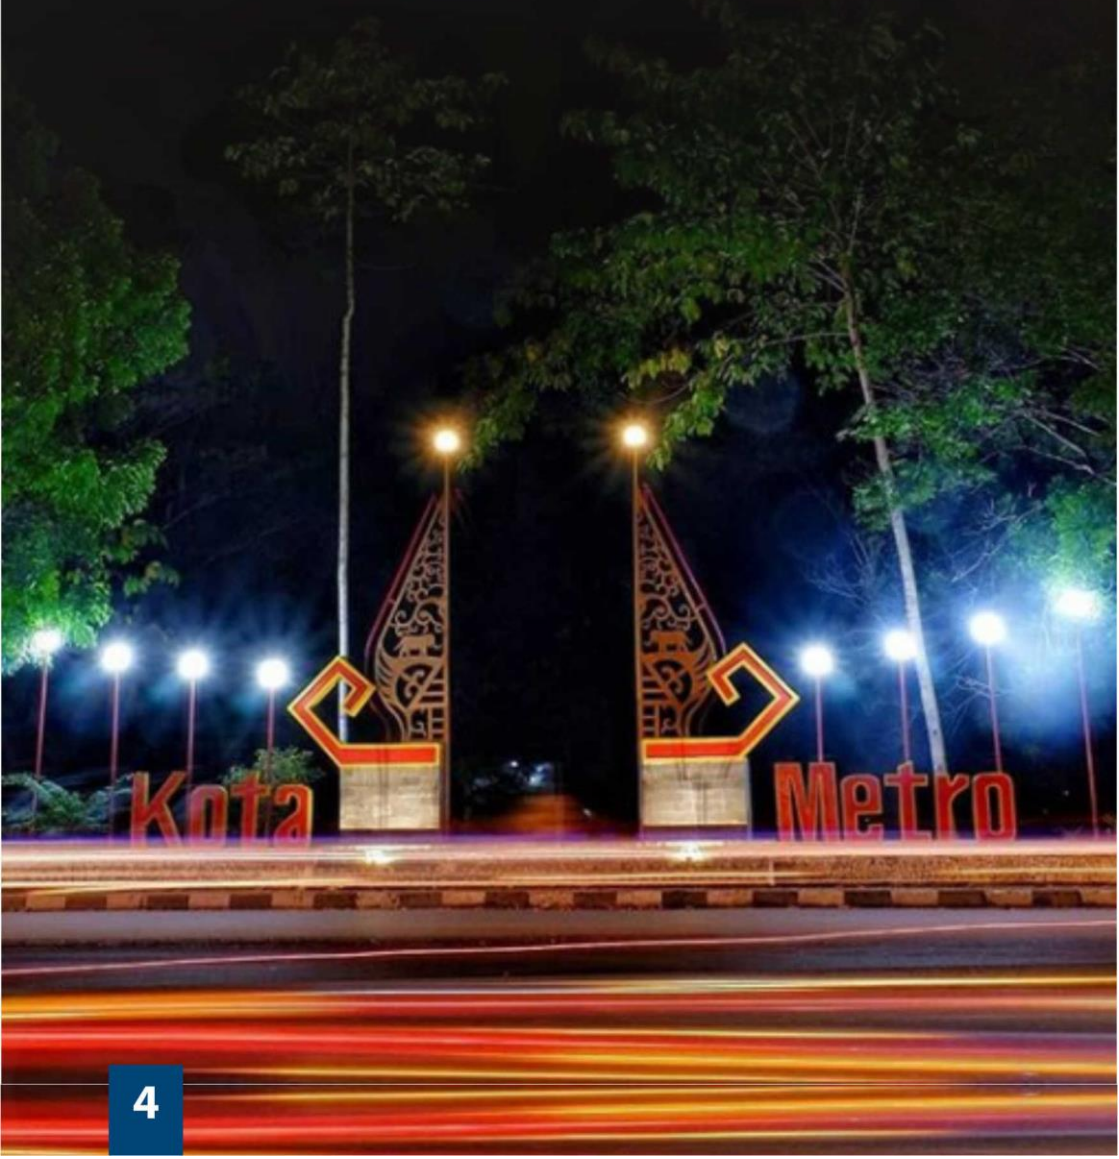

UM Metro is located at Metro City, Lampung Province which is in the southern tip of Sumatra, thirty minutes flight from Jakarta International Airport Soekarno Hatta.

A TRULY LIVELY CITY

Metro is a safe and relaxed place to live. The social life is very comfortable. People respect each other. The night life is also good. Metro is surrounded by public services, therefore Metro provides an easy access service for people to enjoy life.

SAFETY

People in Metro are very nice and friendly. They are also helpful. They will ensure that you feel at home when you stay in Metro.

ACCOMMODATION

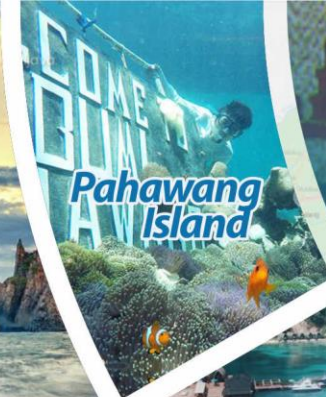

Living in Metro is very affordable with the cost of travel, eating out, and rent noticeably lower than other cities in Indonesia. There are many accommodations available in Metro, depending on your needs and budgets. The accommodations closing to the city center or campus are relatively more expensive. The average dormitory room rental price is around 200 - 350 USD / year. The average rental price for a two bedroom house is around 500 - 570 USD / year.

TRANSPORTATION

Metro is easy to get around. Online transportation is ready to take you around the city. The available online tranportations are Grab and Go-Jek. The cost is relatively very cheap.
